

Miracle Maker

Phil Wickham

Remember Joseph
Watching God fulfill his dreams
Remember Moses
Walking through the parted sea
Jehovah let His people through

Remember Daniel
Safe inside the lion's den
Remember David
Flinging stones at giant's heads
We know what our God can do

We stand on the side of the Miracle Maker
We stand on the side of the stone-rolling Savior
If He is for us, who can be against us?

Remember Jairus
When his daughter raised to life
Remember Lazarus
When he opened up his eyes
He came running out that tomb
We know what our God can do

We stand on the side of the Miracle Maker
We stand on the side of the stone-rolling Savior
If He is for us, who can be against us?

We stand on the rock that can never be shaken
We join in the song that they're singing in heaven
Forever with us
All, praise the name of Jesus

He's the same God now as He was back then
He can do for us what He did for them
All God's people, sing together
We stand on the side of the Miracle Maker

He's the same God now as He was back then
He can do for us what He did for them
Come on
All God's people, sing together
We stand on the side of the Miracle Maker

And all God's people, sing together

We stand on the side of the Miracle Maker
(We stand with the Miracle Maker)
We stand on the side of the stone-rolling Savior
If He is for us (He is for us), who can be against us?

We stand on the rock that can never be shaken
(Can never be shaken)
We join in the song that they're singing in heaven
(Sing it out, sing it out)
Forever with us
All, praise the name of Jesus

We praise Your name
Yesterday and today
And forever, You're the same
All the glory, all the power
All the praise belongs to the Miracle Maker
