

# On And On

Phil Wickham

A love beyond what I could dream  
You sent Your Son to rescue me  
The light of all the stars will fade away  
But God You stay the same

Forever faithful to forgive  
You will be faithful till the end  
The kingdoms of the earth will fade away  
But God You stay the same

You'll never stop chasing us  
You'll never stop reaching out  
You'll never give up on us  
Your love goes on and on and on  
And if I lose my way  
You'll come and seek me out  
You'll never give up on us  
Your love goes on and on and on and on

Behold the kindness of His heart  
He holds the sinner in His arms  
For all eternity we'll sing Your praise  
Oh God You stay the same

You'll never stop chasing us  
You'll never stop reaching out  
You'll never give up on us  
Your love goes on and on and on  
And if I lose my way  
You'll come and seek me out  
You'll never give up on us  
Your love goes on and on and on and on

Your love goes on  
And does forever

From generation to generation  
For every heart all across the nations  
Ever abounding, ever astounding  
Oh God, Your love endures  
From generation to generation  
For every heart all across the nations  
Ever abounding, ever astounding  
Oh God, Your love endures

Oh God, Your love endures

You'll never stop chasing us  
You'll never stop reaching out  
You'll never give up on us  
Your love goes on and on and on  
And if I lose my way  
You'll come and seek me out  
You'll never give up on us  
Your love goes on and on and on

You'll never give up on us

Your love goes on and on and on  
Oh and on and on  
Oh God, Your love goes on and on and on and on
