

# Relationship

Phil Wickham

I know the One who made the stars  
I met Him on the bathroom floor  
When everything was torn apart  
Didn't know what I was living for  
I almost gave up  
I almost gave up

You met me in the mess I made  
And told me I was meant for more  
You pulled me out of my mistakes  
And led me through that open door  
That's when I woke up  
That's when I woke up  
Yeah

My sin is gone and forgiven  
That shame at the bottom of the sea  
You didn't come for religion  
You want a relationship with me  
I found the gates of heaven  
Took me a little while but now I see  
You didn't come for religion  
You want a relationship with me  
Yeah  
You want a relationship with me

Now I don't have to hide my scars  
'Cause You already showed me Yours  
When I gave You all my heart  
I found a freedom like I've never felt before  
This is real love  
Oh I know this is real love

My sin is gone and forgiven  
That shame at the bottom of the sea  
You didn't come for religion  
You want a relationship with me  
And I found the gates of heaven  
Took me a little while but now I see  
You didn't come for religion  
You want a relationship with me  
Yeah  
You want a relationship with me

Not far  
Not far  
You're not far away  
Not far  
Not far  
You're not far away  
Not far  
Not far  
You're not far away  
Not far  
Not far  
You're never far away

My sin is gone and forgiven  
That shame at the bottom of the sea  
You didn't come for religion  
You want a relationship with me  
And I found the gates of heaven  
Took me a little while but now I see  
You didn't come for religion  
You wanted  
You wanted a relationship with me  
Yeah  
You want a relationship with me

Amazing love  
How can it be  
You want a relationship with me  
Amazing love  
How can it be  
You want a relationship with me
