

# Revive Us Again

Phil Wickham

When You move, hearts awaken  
Broken lives will be redeemed  
Here and now, as in Heaven  
Let revival be released

Hear our cry  
Heal our land  
Oh God, we pray for revival  
What You've done before  
You can do again  
Oh God, we pray for revival

God of grace, God of salvation  
We are desperate on our knees  
You can save this generation  
Let revival be released

Hear our cry  
Heal our land  
Oh God, we pray for revival  
What You've done before  
You can do again  
Oh God, we pray for revival

Oh God, we pray for revival

Like a river running through the barren land  
Let mercy flow, revive us again  
Move in power, save us by Your mighty hand  
Let mercy flow, revive us again  
Like a river running through the barren land  
Let mercy flow, revive us again  
Move in power, save us by Your mighty hand  
Let mercy flow, revive us again  
Revive us again

Hear our cry  
Heal our land  
Oh God, we pray for revival  
What You've done before  
You can do again  
Oh God, we pray for revival

Oh God, we pray for revival  
Oh God, revive us again
