

## Take My Heart

Phil Wickham

Inside you shine amidst this broken daylight  
take this darkness that I might see your goodness  
my eyes are on the sky  
show me what you hold  
you are the light of my soul

You have been the beauty in the song I sing  
the fragrance of the rain  
you have been the mystery in my deepest dreams  
you make me fly away  
you have been more faithful than the morning sun  
you've given me the stars  
take my life  
take my soul  
take my heart  
take my heart

You make me, break me, change my life completely  
always, my days, I freely give you my praise  
my heart is in your hands  
let me feel your touch  
lord I life for your love

(3x):

You have been the beauty in the song I sing  
the fragrance of the rain  
you have been the mystery in my deepest dreams  
you make me fly away  
you have been more faithful than the morning sun  
you've given me the stars  
take my life  
take my soul  
take my heart  
take my heart

take my heart

inside you shine amidst this broken daylight
