

Till I Found You

Phil Wickham

I searched through the earth
For something that could satisfy
A peace for the hurt
I had buried deep inside
Knees on the floor
I finally found everything I needed
You lifted my soul
And opened up my eyes

I never knew anything lasts forever
Till I found You till I found You
I never dreamed anything could be better
Till I found You till I found You
You're rewriting my story
And I'm brand new like a morning
I never knew anything lasts forever
Till I found You
Till I till I found You

Till I found You
Till I found You
Till I found You

Gone are the days
Of chasing after what won't last
I'm done with building these castles
That crumble like sand
Oh knees on the floor I finally found
That everything I needed
Was always right in front of me
You gave me a name
And you change everything I am

I never knew anything lasts forever
Till I found You till I found You
I never dreamed anything could be better
Till I found You till I found You
You're rewriting my story
And I'm brand new like a morning
I never knew anything lasts forever
Till I found You
Till I till I found You

Till I found You
Till I found You
Till I found You

I never knew anything lasts forever
Till I found You till I found You
I never dreamed anything could be better
Till I found You till I found You
You're rewriting my story
And I'm brand new like a morning
I never knew anything lasts forever
Till I found You
Till I till I found You

Till I found You
Till I found You
Till I found You

Till I found You
