

For Whom The Fire Burns

Phidel

Dress me in your finest silk
And lay me down upon the hill tonight
Through the air the embers fly
Lay me down a cross to die

For I
For I'm for whom the fires burn

For I
For I'm for whom the fires burn

Heavy is the atmosphere

Will you lead my ghost across the pier
To a temple routed to the gone
Emblematic as a song
Am I?
Am I for whom the fires burn?

For I
For I'm for whom the fires burn
For I
For I'm for whom the fires burn
For I
For I'm for whom the fires burn
