

## My Name

Phillip Phillips

A [?] in love isn't always howl  
I wanted to be but I'm here right now  
You got to believe that I'm here to stay  
If you want me to go, I'll leave this way

Feeling me up while I'm sinking down  
It's better this way, you can watch me drown  
Here in my voice where there's no sound  
Stuck in your head  
But you don't know what's going down

I'll be like I am alive, open arms, open eyes  
I'll hear your voice through the crowd  
I can hear you screaming out my name  
My name, my name, my name

Dreaming in love isn't always howl  
And you wanted to be but you can't be now  
You're in it, for good and you cannot wait  
She showed you what taste that your mind can't take

Feeling me up while I'm sinking down  
It's better this way, you can watch me drown  
Here in my voice where there's no sound  
I'm stuck in your head  
But you don't know what's going down

I'll be like I am alive, open arms, open eyes  
I'll hear your voice through the crowd  
I can hear you screaming out my name  
My name, my name, my name

I'll be like I am alive, open arms, open eyes  
I'll hear your voice through the crowd  
I can hear you screaming out my name  
My name, my name, my name  
(It's out now...)
