

Unpack Your Heart

Phillip Phillips

Meet me where the sunlight ends
Meet me where the truth never bends
Bring all that you're scared to defend

And lay it down when you walk through my door
Throw all of it out on the floor
Your sorrow, your beauty, your war
I want it all, I want it all

Bring your secrets, bring your scars
Bring your glory, all you are
Bring your daylight, bring your dark
Share your silence
And unpack your heart

Show me something the rest never see
Give me all that you hope to receive
Your deepest regret dies with me

The days when you stumble and fall
The days when you grind to a crawl
The treasure that hides behind your walls
I want it all, yeah I want it all

Bring your secrets, bring your scars
Bring your glory, all you are
Bring your daylight, bring your dark
Share your silence
And unpack your heart
Unpack your heart

Oh, I'm on your side
So shed your shadow
And watch it rise

Oh, I'm on your side
So shed your shadow
And watch it rise
Into your darkness
I'll shine a light

Bring your secrets, bring your scars
Bring your glory, all you are
Bring your daylight, bring your dark
Share your silence

Bring your honor, bring your shame
All your madness, I will tame
Won't you lay down, down your guard
Share your silence
And unpack your heart
