## Wanted Is Love

## **Phillip Phillips**

Lonely in a room no sound to fill your soul Hopes and dreams, the house will glow who can't let go But you can only see when I look into your eyes you pull me in too deep Take me in take me out till I'm nothing more than words spoken from your sweet sweet mouth And dance around like no one can see baby Move your body with the rhythm, move your body next to me Wanted is love, now go and sing You know you gotta hold on to what you love before it's gone aw ay Wanted is love, now go and sing You know you gotta hold on to what you love before it's gone aw ay One step too, and I'm sinking in your lies Only to see the truth hidden behind your evil eyes And no likely me to the ways of you Is it me or am I lone it's all such mystery Wanted is love, now go and sing You know you gotta hold on to what you love before it's gone aw ay Wanted is love, now go and sing You know you gotta hold on to what you love before it's gone aw ay Wanted is love Wanted is love, now go and sing You know you gotta seek everything you love before it's gone aw ay Wanted is love, now go and sing You know you gotta seek everything you love before it's gone aw ay Wanted is love Wanted is love
