

# Testimony

Phillips, Craig & Dean

I once was an outcast  
No one knew my name  
I once was a dead man  
Buried in shame  
I once was an orphan  
With no place to go  
But the Father in mercy  
Said son you are worthy  
And he welcomed me home

This is my testimony  
This is my sacred ground  
Jesus the cornerstone  
I build my life around  
His grace has made me worthy  
His mercy welcomed me  
This is my story  
The story of one redeemed

Where once there was darkness  
He turned on the light  
Where once there was sorrow  
Hope came to life  
For when Jesus called me  
The stone rolled away  
My tomb was opened  
My chains were broken  
And love saved the day

This is my testimony  
This is my sacred ground  
Jesus the cornerstone  
I build my life around  
His grace has made me worthy  
His mercy welcomed me  
This is my story  
The story of one redeemed

No I am not ashamed  
To say He is the way  
If God raised him from the dead  
And he's coming back, he's coming back  
No I am not ashamed  
To say He is the way  
If God raised him from the dead  
And he's coming back, he's coming back

This is my testimony  
This is my sacred ground  
Jesus the cornerstone  
I build my life around  
His grace has made me worthy  
His mercy welcomed me  
This is my story  
The story of one redeemed
