Leave a nigga in the thick of foe

Keeper really my biggest fan

Three of my niggas in preliminary
Niggas sweet like Ben & Jerry
To the streets I've been married
When Dre died my heart died
Wish he was here singing chorus side
I just pulled up four lines, tryna forget my hard times
Niggas don't feel my pain
Stressed out in my grains
Lost so many to the game
Blow washed away in the rain
Rest in peace to Ace Mouth, Lil' Pool and Fat Shorts
Rest in peace to Jody Boy, Skrilla Mike and Dre Feddi yo

Passin' out with no masses
Murder scene looking so drastic
Tell 'em niggas hit the scoreboards
Just knocked out like four more
Only got like to hit a red left
Prolly pull up four more

All the way to E-16
Those fiends pull up on a 10 speed
