

# Hit Stick

Philthy Rich

Just woke up and I feel good as fuck  
Bitch pay me then she might get a butt  
I'm waitin on a flight while you waitin for the bus  
Ion even gotta drop a song every month  
Bitch said fuck me, now she fuck with a bum  
Ion give a fuck about where a nigga from  
Got a hit stick we can go head up  
He diss me on the gram so the nigga got punched  
Bitch act tough, bitch get slapped  
Bad for the shoes, like a nigga sell crack  
Bitch chose up so a nigga fell back  
Go on stage with a strap like a nigga don't rap  
I blow racks, I don't smoke blacks  
I got bars, I don't gotta flip packs  
Might fuck a hoe if she give me that trap but I gotta keep a hat  
I ain't tryna get trapped

Block 21, pussy nigga don't run  
Nigga where I'm from, pussy niggas don't come  
He say he won't smoke he don't really want none  
Pull up on seminary, any nigga want some  
Beef on the plate, he a vegan on the low  
Broke ass nigga, he was sleepin on the floor  
Knock him out for a bitch nigga I ain't even know  
Keep my name out your mouth when you speakin to the hoe  
Blue check on me nigga like I'm verified  
Can't feel his leg through his dick cause he paralyzed  
2 niggas sneak dissin, that's a pair of lies  
Let them killas off the leash, now they terrified  
Nigga where I'm from they call me Big 59  
Spent a hunnid thou cash on this Big 59  
If the hoe ain't pay me then the bitch not mine  
Tell that out of pocket, fagget ass bitch stop lyin'  
It's Philthy

Now bitch fire, she a OP hoe  
Niggas all Jones like old g low  
Finna put my dick down yo bitch throat  
Don't ask me, yo bitch know  
Something like a pro, MVP  
Play the last sound like a mp3  
Only when a broke bitch EBT  
Came a long way from my TBT

In a Lambo truck got the ammo tucked  
Bounced out on a sucka nigga camo duck  
AR-15 lookin Rambo'd up  
Shut down the odd block now its candled up  
If there ain't no bread, then there ain't no beef  
I was born money fast but I ain't know meats  
Some died in my hood but I ain't gon preach  
Some died in my hood but I ain't gon preach  
It's Philthy
