

King Jack

Philthy Rich

Whatever you do, make mothafuckas love you, man. Don't ever be no corny ass mothafucka, and always make sure mothafuckas love you man. See a lot of niggas, they wanna be rappers, so they carry theyself with the attitude that they think rappers got. Walking around like they all high and mighty and shit, cuz they think that's what it is. And once you do- You got that kind of attitude, that's the only thing you gon do is end up getting robbed, end up always getting your ass kicked every time you got a show, you know you got weed and shit, it's only weed man, give that shit away, give that shit to a mothafucka.

Aye, it's Philthy nigga
Rest in peace Jack like a mothafucka
Look
One of the realest niggas that I ever met
And one of the only rappers that I respect
King Jack tatted on my back
Right besides 2pac and the Mac
Slide around with 2 Glocks in the mac
These niggas only mob on the internet
Nigga you ain't buy it you just rented that
Death to my enemies, devil's rejects
Niggas sippin lean tryna be Jack
But you ain't really know about the intellect
Mean blowing last gon keep it lit
Rest in peace to king til we meet again

That's why we Muslims man, you know I, I knew that this was a way for me to be able to pray to God directly, cuz I know that if I was blessed with Islam then I must really need it, you know, it must be something that I, he must care about me, you know what I mean, cuz, he gave me an opportunity to pray directly to him, actually ask for forgiveness you know what I mean, and uh you know some of the things that I talk about in my music I don't even want to say em but I say it anyway because I mean this is what I meant, I'm in the streets.

I'm with Philthy Rich, been rich like [?]
Still pursuing this, we doing this for King Jacka
It's his birthday, we in the lab and we rappin
It can't happen but I wish that I could bring back him
East coast nigga on the west coast still mobbin
I'm so sick of being lonely bitch I'm Phil' mobbin
Niggas killed my man and that's a problem
We got a black president and niggas still robbin
Niggas trunked Batman and they killed Robin
Niggas snorting cocaine, bitches pill poppin
Through all of that, we still mobbin
Pray for forgiveness, [?] wa ta'ala let's go

Somebody actually put me on blast, some people rappin, I knew niggas who were rapping before and shit so, I kinda had a little idea how to rap so I tried it and it actually came out better than I thought, and it was just freestyle, had people like "damn, this boy dope!" You know what I mean? And that was just like ok, this is what Ima do. But I never like, brought it to nobody's attention with my family like that or nothing, because I don't need nobody shooting at it, tryna bring me down, so I just kept it in the back of my mind, and you know I'ma make it happen for myself doe, I'm not finna just, you know, go around tryna just have people put me on, I wanted to just make it

happen for myself because I wanted to work on my craft and become a good artist before I actually started letting people hear my shit, you know.

Paul wall, baby
Mob in peace
It's more than a tat
J-A with me every day on my back
RIP to the Jack, RIP Act
Long live the king, long live the Pimp and Mac
King Jack, Pimp Chad, and Mac Dre
H-Town to PA, to the Bay
From LA to the Tre, nawl we don't play
Paid at least 5 times a day like I pray
I pray that one day it's peace in our streets
Instead of kids killing kids over jewelry and sneaks, preach
But God's will be done, and not mine
Mob for life, Paul Wall I'ma hold it dine

Well you know, you get to a point where sometimes you get pissed off and you just put shit on Twitter, you know. Hahahaha. So you know I was at one of them points where I was just pissed off just putting shit on Twitter and shit man you know what I'm saying so - I ain't even mean that shit man, my bad, I ain't been on since man cuz I feel like shit man, my boy Ampichino out there from Ohio, Devilz Rejectz, he like, "Man, if you done, I'm done, man," so I seen that, I was like man, we got too many muhfuckas ridin on us, too many people who done died, too many niggas who had dreams and ambition, who doing life, who really wanted to do this shit man, and they gotta live it through us man, so it ain't no way in hell I'm retiring, baby.
