

# King Size

Philthy Rich

Won't you come on over, I'm cookin' dinner  
I got a movie, and after all of that  
We in a jacuzzi, doin' it king size  
We sippin' bubbly, we watchin' flat screens  
And after all of that, I'ma give you all of me  
Give you this king size

Look, she like it king size  
I like them thick thighs  
That lil' pink pussy got me hypnotized  
A ceiling watchin' movie, maybe make one  
She talkin' bout a baby, she wanna make one  
Yeah, you can have my daughter, I got two lil' boys  
Stand up guy, I'm not a lil' boy  
And you a grown woman, this grown man dick  
Get you out them Vickys and get romantic  
She lookin' so sweet, I might taste a little  
She like a lot of dick, no she don't take a little  
And we fuckin' in every spot besides the bed  
And I'm kissin' on every spot between her legs

Won't you come on over  
I'm cookin' dinner, I got a movie  
And after all of that, we in a jacuzzi  
Doin' it king size  
We sippin' bubbly, we watchin' flat screens  
And after all of that, I'ma give you all of me  
Give you this king size

It's filthy, look  
I got her fiendin' for it  
I got her screamin' for it  
It's runnin' down my leg  
I got her creamin' for it  
A1 dope dick plus it's king size  
She was playin' for the other team  
But now she switch sides  
Now all she know is filthy  
And that I get it in  
Now all she know is filthy  
She don't remember him  
I make her work for it, it don't come that easy  
Then let her give it to me, I ain't into teasing  
Girl, I'm in the pleasing, dick like ecstasy  
Fuckin' on a rich nigga, that's your fantasy  
I made that come true, I made you come, too  
Like three times, you know that bitch is mine

Won't you come on over  
I'm cookin' dinner, I got a movie  
And after all of that, we in a jacuzzi  
Doing it kingsize  
We sipping bubbly, we watchin' flat screens  
And after all of that, wanna give you all of me  
Give you this kingsize
