[Verse 2: Trapboy Freddy]

Shoulda known better yeah way back then
We was breakin' down bigs, we was just some little kids
Jumped off the porch young at a early age
Everybody trappin' out the 'partment no cave
Couldn't make A's but could make me a big
I knew I couldn't drive, I just wanted that Benz
Don't make money then it don't make sense
I'm tryna make money I ain't makin' no friends
Momma told me then I'd have fake friends
Guess back then it just didn't make sense
Knew I wanted a Rover I ain't know I was gon' get it
Bust down a brick and I bought it off fifty's
'Member them nights that we slept in them trenches ('member?)
'Member them night that we busted them niggas ('member?)
'Member them night we had worked in our dentals
'Member that brick that we bust down to nickels
Been two years since they popped my nigga
Been two years since I called my sister
Remember when we was broke so we took them cookies
Made it to the 'partments and we started back joogin'
Same clothes all month, trap house hustlin'
Sam robbed his patna so sometime he don't trust him
She know I'm a dog but she say that she love me
I done so much shit sometimes I don't trust me

[Chorus: Trapboy Freddy]

Shoulda known better not to hit that lick
Shoulda known better not to hit that bitch
Me and that nigga been lock since kids
Ain't that a bitch? Why the fuck did he switch?
Couldn't play ball but I could cook me a big
Couldn't cut grass but I could cut me a nik'
Knew times was hard when I had to pay rent
Shoulda known better yeah way back then
Shoulda known better not to hit that lick
Shoulda known better not to hit that bitch
Me and that nigga been lock since kids
Ain't that a bitch? Why the fuck did he switch?
Couldn't play ball but I could cook me a big (yeah)
Couldn't cut grass but I could cut me a nik' (yeah)
Knew times was hard when I had to pay rent
Shoulda known better yeah way back then

[Verse 3: Mozzy]

'Fore I went down, wasn't me and you together? Huh?
Bitches catted off on a fella (I said them bitches catted off on a fella)

Put some money on his head when I run through these pounds (yeah)
They gon' throw a whole lot of rounds (yeah)

Tryna make somethin' shake
Thirty thou' on the play
And if the homey get hit then it's back to the hood
'Cause I know bruh countin' on the gang
