[Verse 1: Philthy Rich]
Look, I said now plug talk, nigga plug talk (plug talk)
Designer on me, nigga blood walk (designer)

In the trap gettin' drugs off (Seminary)
Two for tens and them dubs off (two for ten)

[Verse 2: Allstar JR]
Ran up some racks on niggas (I did)
I ain't look back for niggas (fuck 'em)
Got your bitch acting different (fuck yeah)
Let me rub on that ass and pinch it
Trap nigga with a hit single (yeah, yeah)

Tried to like these little hoes

It's hard to 'cause I been fucked (knock them hoes off)
I ain't want to drink, this nigga Philthy got me pourin' that
Twinkle wrist jettin', yeah that crack done got me glowin'
I was sleepin' in the house with one bedroom
Now I'm makin' bales move
I stash and sell blues
First the bezel, boss it up and get the band blue
We run the eastern market, look at all this damn food (work)
Hit the Yay with percs and yay, that shit like Steph and Klay
When this conversation over, make another play, nigga

[Chorus: Philthy Rich]
Two bosses sittin' at the round table, it's a plug conversation
On FaceTime while we count the paper, it's a plug conversation
