

## Prayer Away

Philthy Rich

(Reuel, stop playin')  
(Waitin' my life for the sunshine)  
(All of my cloudy days, you are just a prayer away)  
(Waitin' my life for the sunshine)  
(All of my cloudy days, you are just a prayer away)  
It's Philty, look

I prayed for times like this  
Twenty-eight grams, bust down and all nicks  
How is you my bitch? You don't see me rich  
'Terrogation room, they wanna see me snitch  
I can't get it good without the bad  
Black single mother without a dad  
WIC, welfare, Section 8  
The reverend gon' pass around a collection play  
I jumped off the porch at eleven  
It's a room for a gangster off up in Heaven  
When I go, bury me a G  
Let six Seminary niggas carry me, it's Philthy

Waitin' my life for the sunshine  
All of my cloudy days, you are just a prayer away  
Waitin' my life for the sunshine (Sunshine)  
All of my cloudy days (Cloudy days), you are just a prayer away (Pray  
)  
Waitin' my life for the sunshine (Sunshine)  
All of my cloudy days (Cloudy days), you are just a prayer away

I done seen so many get flat lined (I have)  
Niggas fake and won't buy the [?] line  
I swear it's why I play my own lane and don't swerve out  
I never curve out  
Life get cold, ain't nothin' purr the fur out  
I ain't tryna get spiritual (Yeah)  
Gotta be a miracle (Uh-huh)  
Okay, I tell the truth, my wrist game imperial (Yeah)  
It's supposed to be a motivator  
So I'ma bag off the cocaine coke, but for real, this how I got the pa  
per (Yeah)  
Free nigga, ayy, fed time, never told nothin' (Shh)  
Back talkin' shit like a nigga hit the whole button (Yeah)  
Philthy told me preach, said, "Black, how you [?]"  
Run me a milli' with the bars like I ain't [?] (I swear)

Waitin' my life for the sunshine  
All of my cloudy days, you are just a prayer away  
Waitin' my life for the sunshine (Sunshine)  
All of my cloudy days (Cloudy days), you are just a prayer away (Pray  
)  
Waitin' my life for the sunshine (Sunshine)  
All of my cloudy days (Cloudy days), you are just a prayer away (Pray  
)
