

Put Down My Cup

Philthy Rich

Put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
I'm abusing all these drugs, not giving a fuck

Tried to put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck

Codeine got me numb, my head in the sky
Bad redbone bitch, don't tell me no lies
Always on the cloud, I'm seein' my highs
Drop a deuce in the twenty ounce then I just fly
All the drank went up, it been a drought
Would've had a glass pint but I sent it out
Nigga paid a hundred line, I'm all the way out
Got manners when I eat, I close my mouth
You told on your own self then they ran in your house
See my nigga write a statement, he turn to a mouse
Feds still on our ass, tryna wiggle out
Had to switch up the hustle, gotta figure it out

Tried to put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck

I say now Actavis in my kidney
Got a bad bitch in my Bentley
Styrofoam got two cups
A line of Act, that's two bucks
Broke niggas say that's too much
Baby mama want to do lunch
Told the bitch she gotta choose up
Brought the wifeys with her, that's a group hug
Got a bad bitch out in Flint
But she can't pay her rent
Bitch can't pay her pimp
Pick my cup up again (is that right?)
Drop a four in my twenty ounce
Pineapple Fanta if they runnin' out
You know I fuck with them Faygos
Stackin' up pints like legos
Money nuts on the draco
Play with me and get a halo
Sippin' syrup, no maple
Your bitch suck below the navel
Versace all on my bedsheets

In the kitchen with the eggbeat
Your baby mama she a dead freak
Keep the bitch out of leg reach, it's Philthy

Tried to put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
Tried to put down my cup, still pickin' it up
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
I'm abusing all these drugs, not giving a fuck
