

Safe

Philthy Rich

Free up all my dawgs out the cage
I just put some money on your case
Hangin' with the stars in the Wraith
Hundred-thousand dollars in the safe
Hundred-thousand dollars in the safe
I just put some money on your case
Hangin' with the stars in the Wraith
(Ayy, it's Philthy, nigga)
Hundred-thousand dollars in the safe (Uh-huh)

Look
Half a million up in my safe
Where I come from, nigga, it ain't safe
Five hundred thou' all blue
When I cashed out and I bought the Wraith
Free JayBay, free Tay-Tay, free B.O.T., free Mane
Every nigga in my hood shining
I done bought a hundred of these chains
[?], that's a million plus all paid for
Broke niggas mad, spent forty-thousand on a pill
Or if I go and buy a bitch a Birkin bag
Rolls truck on twenty-eights
These niggas tellin' First 48
They, they baguettes in the van
This a presidential, not a Cartier
It's Philip

Free up all my dawgs out the cage
I just put some money on your case
Hangin' with the stars in the Wraith
Hundred-thousand dollars in the safe
Hundred-thousand dollars in the safe
I just put some money on your case
Hangin' with the stars in the Wraith
Hundred-thousand dollars in the safe

Free my niggas, yeah, yeah, yeah
All my niggas, yeah, yeah, yeah
Trade all the dollars, yeah, yeah, yeah
If I can't get with 'em, yeah, yeah, yeah
It's mo' problems (Yeah, yeah, yeah)
Mo' money (Mo', yeah, yeah)
And they plottin' (Yeah, yeah, yeah)
To take it from me (Yeah, yeah, yeah)
Oh, I seen the look on they face
When I pulled all up in the Wraith
Oh, I'm dead, blue faces
[?] if it don't involve no commas in it
Every night, my life a movie
But what's a movie with no drama in it?
I swear

Free up all my dawgs out the cage
I just put some money on your case
Hangin' with the stars in the Wraith
Hundred-thousand dollars in the safe
Hundred-thousand dollars in the safe

I just put some money on your case
Hangin' with the stars in the Wraith
Hundred-thousand dollars in the safe
