This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit

This one for them niggas that's been hatin' since day one  
This one for my jeweler, got my chain with VS1's  
This one for my sons, yeah I love them boys to death  
This one for my Atlanta bitch who got to Georgia Tech  
This ones for my niggas that I got locked up in prison  
Pussy nigga mad at me 'cause he's the one that's snitchin'  
This one for them four foreigners sittin' in my garage  
This one for my niggas in the kitchen cookin' pies  
This one for my nigga at the counter tryna slide  
This one for that bitch that said she love me but she lied  
This one for my niggas that be hustlin' in the trap  
This one for my hood because I put 'em on the map

This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit

This one for my old ho, this one for my new ones  
This one for these simple-minded bitches actin' stupid  
This one for these niggas who was hatin' on the low  
This one for you pocket watchin' niggas goin' broke  
This one for these hoes got me on child support  
I'm ballin' anyway, I'll never ever go to court  
My kids super straight, got everything that they ever want  
Paid my lawyer with all hundreds, I ain't goin' to the joint  
This one for my mama, told you I'ma make you very proud  
This for all my niggas dead and gone, I know you lookin' down  
This for all my trap niggas, just ran up and buyin' a pound  
This for all my niggas buyin' a brick and flat-footin' it down

This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the bitches said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit  
This one for the niggas said I never would be shit
