555

Phish

They're tyin' a blindfold cross my eyes I rest my face down Skidding on switchbacks near the sides Gonna try to bust out Get up, jump out, don't wait, gotta get away Hop off, roll down, spring up, live another day Sprint on cobblestones past the tracks They kept my money, and my water Don't wanna run 'cuz I want it back But I know I really ought to If I don't break away clean I might stray from the scene Make an escape when it arrives: The 555 They bought my soul for a pile of cash Everybody else got paid out They're closing in I gotta dash I gotta find a way out Hop off, roll down, spring up, live another day Get up, jump out, don't wait If I don't break away clean I might stray from the scene Make an escape when it arrives: The 555
