

## Fuego

Phish

I'm a sailor's girl, the best is yet to come  
Rolling in my Fuego, I do my own stunts  
I see guilty people, angels blowing horns

Some days it's just not worth gnawing through the straps  
Freak out and throw stuff, World's Greatest Dad  
Read a little book about Vlad the Impaler

Whoa, oh  
Whoa, oh

Inside your Fuego, we keep it rolling  
Inside your Fuego, we keep it rolling  
Inside your Fuego, we keep it rolling  
Inside your Fuego, we keep it rolling

I asked Diego if it was stolen  
Inside your Fuego, we keep it rolling  
Rolling, rolling, rolling  
Diego, Diego, Diego
