

Life Saving Gun

Phish

We are temporal silver men in sulfur vessels
A percussion rinse
We are disc cultivators at this fatalistic gala

A life-saving gun, a life-saving gun
A life-saving gun

In this pepperbush of colonial ice
The cashier's fan is a life-saving gun

In clustered columns, the vaulting cartridge
In the wharf storehouse, there is a life-saving gun
There is a life-saving gun, there is a life-saving gun

Super bomby warfare, life-saving gun
Contact net, life-saving gun
Shoulder mountain, life-saving gun
Meso laceration, life-saving gun
