Phish

I come from atop the mountain, baby  
Where the people come to pray  
I comes from atop the mountain baby  
Where the people come to pray

There ain't no truth in action  
'Less you believe it anyway

I was riding down the road one day  
Someone hit a possum  
Riding down the road one day  
Someone hit a possum

The road was his end  
His end was that road, so they say

Whoa, possum, possum, possum, possum  
Whoa, possum, possum, possum, possum  
Whoa, possum, possum, your end is the road

I was riding down the road one day  
Someone hit a possum  
Riding down the road one day  
Someone hit a possum

The road was his end  
His end was that road, so they say

Whoa, possum, possum, possum, possum  
Whoa, possum, possum, possum, possum  
Whoa, possum, possum, your end is the road  
Whoa, possum, possum, your end is the road
