

The Final Hurrah

Phish

(Whoo hoo hoo)
 Sit on the jungle gym
 (Whoo hoo hoo)
 The shapes become unhinged
 (Whoo hoo hoo)
 Try to cover up
 (Whoo hoo hoo)
 Hush money in the cup

That much I know, that much I know
That much I know, that much I know
That much I know, that much I know
That much I know, that much I know

(Whoo hoo hoo)
I am in a square
(Whoo hoo hoo)
Dangling in midair
(Whoo hoo hoo)
So I squint my eyes
(Whoo hoo hoo)
Then there'll only be a few

That much I know, that much I know
That much I know, that much I know
That much I know, that much I know (oh yeah)
That much I know, that much I know

Taste the humidity
You can recycle
The final hurrah
I see you in the distance
You can recycle
The final hurrah
Taste the humidity
You can recycle
The final hurrah
The final hurrah
The final hurrah
The final hurrah, the final hurrah, the final hurrah
The faceplant into rock

[illegible]

Faceplant into rock (whoo-hoo)

Faceplant into rock
Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)

Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)

Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)
Faceplant into rock (whoo-hoo)

You can recycle
The final hurrah
I see you in the distance
You can recycle
The final hurrah
Just taste that humidity
You can recycle
The final hurrah
The final hurrah
The final hurrah
The final hurrah, the final hurrah, the final hurrah
