

## The Well

Phish

Every rainbow has a bluejay  
Perched atop a pot of gold  
In the cloudburst is a birdcage  
But a song it cannot hold

There's a scallop in the coinpurse  
Nickels notched into the shell  
Every fountain has a penny  
At the bottom of a well

Every shovel can move mountains  
For the diamonds that remain  
Every splinter needs a finger  
Every ring can be a link within the chain

Every voice has a message  
Every meaning traveled far  
Every orchard sowing sunlight  
Every tree contains a star

Now the sun is passing over  
Marked in shadow for a spell  
Reveals a stairway of stonework  
And the sounds are flowing upwards  
From the bottom of the well  
From the bottom of the well  
You hear them flowing upwards  
From the bottom of the well
