```
Don't want to be an actor pretending on the stage
Don't want to be a writer with my thoughts out on the page
Don't want to be a painter 'cause everyone comes to look
Don't want to be anything where my life's an open book
```

A dream it's true
But I'd see it through
If I could be
Wasting my time with you

Don't want to be a farmer working in the sun Don't want to be an outlaw always on the run Don't want to be a climber reaching for the top Don't want to be anything where I don't know when to stop

A dream it's true
But I'd see it through
If I could be
Wasting my time with you

So if I'm inside your head Don't believe what you might have read You'll see what I might have said To hear it

Come waste your time with me Come waste your time with me

So if I'm inside your head Don't believe what you might have read You'll see what I might have said To hear it

Come waste your time with me Come waste your time with me Come waste your time with me Come waste your time with me

Come waste your time with me
