

## Get It

Phlake

I know I'm slow, and I don't think  
And I don't show how I feel  
Yeah, I get it, yeah, I get it  
I know I'm all tied up and  
Never sure how to act  
Yeah, I get it, oh, I get it

Maybe you can do better than this  
Maybe you can do better than that  
Maybe you can do better than me  
If that's what you want, yeah, I won't hold you back

Why, why, why do we act  
Like every time we won't fall back  
I just don't get it, I don't get it  
Why, why, why, tell me why  
What's the point? Why do we try?  
I don't get it, I just don't get it

Maybe I can do better than this  
Maybe I can do better than that  
Maybe I can do better than you  
Maybe this time you won't hold me back

Swear I'll turn this car around right now  
I see you thinking I won't  
I ain't wallpaper that you can tear down  
I ain't somebody's joke, someone you can choke  
Or with a coaster  
Shove to the side  
Push in the corner  
You twisting the knife now, now

Maybe we can do better than this (babe, let's talk it over)  
Maybe we can do better than that ('cause I don't wanna lose you )  
Maybe we can do better than us (baby, let's talk it over)  
Maybe this time there's no turning back ('cause I don't wanna lose you)
