

Kitchen Party

Phlake

(It's about to go down, down, down, down, down)

I handed them the keys to my door, when we split down the road
Time to get rowdy
We went to stack up at the store, they lit up the stove
For the kitchen party

I just need, something real, and I think you're the deal, for me
So let's get it started
You're the type that I dream, I would meet at a flea market
Or at a kitchen party, oh

We've been up all night
Now's my time to shine
Kitchen party vibe
Ain't no sleep no, sun's coming up

We've been up all night
Now's my time to shine
Cause' I'm the kitchen party type
Ain't no sleep no

Party in a pile full of smokes, Surfing undone dishes
Undone dishes, we surf them undone dishes
An army half alive we survive, on leftovers and pills
No doubt about it

I just need, something real, and I think you're the deal, for me
So let's get it started
You're the type, I always dreamed, I would meet at a flea market
Or at a kitchen party, so

We've been up all night
Now's my time to shine
Kitchen party vibe
Ain't no sleep no, sun's coming up

We've been up all night
Now's my time to shine
Cause' I'm the kitchen party type
Ain't no sleep no, sun's coming up

Sun's coming up, sun's coming up
At the kitchen party, sun's coming up
Sun's coming up, sun's coming up
At the kitchen party, oh

We've been up all night
Now's my time to shine (sun's coming up)
Kitchen party vibe
Ain't no sleep no, sun's coming up

We've been up all night
Now's my time to shine
Cause' I'm the kitchen party type
Ain't no sleep no, sun's coming up
