

Load is on the nightstand
I'm looking at the proof
You came by to say hi
It got me through the roof

Grinning like I'm winning, yeah, I'm speculating
Stranded in my mature, yeah, I'm hesitating

I'm loading my dots
Frozen with cones
I'm chasing my shadow alone in the dark
My head's in the thought
I tend to get lost
So baby, don't hate me, I'm maybe dot com

I'm maybe dot com
I'm maybe dot com
I'm maybe dot com
I'm grinning like I'm winning, yet, I'm hesitating
I'm maybe dot com
Stranded in my mature, yeah, I'm hesitating
I'm maybe dot com

Motives in the nighttime
Thinking like a cook
Scheming on a decide
But you read me like a book

Spinning like a fidget for a new beginning
Asking for directions in the [?]

I'm maybe dot com
I'm loading my dots
Frozen with cones
I'm chasing my shadow alone in the dark
My head's in the thought
I tend to get lost
So baby, don't hate me, I'm maybe dot com

I'm maybe dot com
I'm maybe dot com
Grinning like I'm winning, yet, I'm hesitating
I'm maybe dot com
Stranded in my mature, yeah, I'm hesitating
I'm maybe dot com

There goes my two-faced friend
Guess he is back at it again
Does he wanna make amends to do wrong, do wrong again?
Here goes my two-faced friend
Yes, I'm back at it again
Do I wanna make amends to do wrong, do wrong again?

(I'm maybe dot com)
There goes my two-faced friend
Guess he is back at it again
(I'm maybe dot com)

Does he wanna make amends to do wrong, do wrong again?
(I'm maybe dot com)
Here goes my two-faced friend
Yes, I'm back at it again
(I'm maybe dot com)
Do I wanna make amends to do wrong, do wrong again?
(I'm maybe dot com)
...
