

# Stallin'

Phlake

You're bringing the bagels on a tray of sheets  
Smoke up the cables as we move the knees  
I think I get you now  
You ain't supposed to be figured out

Fixing the papers for minor feast  
Taking the dip just for a quick release  
We making the sound you need  
Don't wanna fall asleep

You can see me stalling  
Busy solving something now  
Not in a rush but I'm honest to beat me now  
But I come balling  
In a way I'm crawling in the mud  
Just for the rush  
At the end of going on and on  
Yeah

Always on the run  
Busy doing nothing just fun  
Skinny dipping all this colors once  
Floating on the fog  
Yeah

Honest in the fall  
Smell of cigarettes and my own luck  
Just a bunch of creatures having fun  
Thinking the balance in the run

You can see me stalling  
Busy solving something now  
Not in a rush but I'm honest to beat me now  
Yeah  
But I come balling  
In a way I'm crawling in the mud  
Just for the rush  
At the end of going on and on  
Yeah yeah yeah yeah

I wait a minute and a minute now  
Don't try to kill it though it's been a while  
Oh no my  
I won't waste it all  
Just for fifteen

If you see me stalling  
It's cause I'm busy solving something now  
Not in a rush but I'm honest leave me now  
But I come balling  
In a way I'm crawling in the mud  
Just for the rush  
At the end of going on and on  
Yeah

I don't need you anymore
