

# Embarrass Me

Phoebe Green

Who hurt you  
I'm sorry  
But I don't need to be  
Who decided  
That it's easier  
To take it out on me

You promised  
Not to draw attention to this but I feel the eyes  
They're on us  
They're wide open and I am not surprised

Funeral attire on date night

Everybody's here for a show  
So let's give them the final blow  
Embarrass me then take me home  
We're exposed underneath the spotlights  
Too drunk to remember our lines  
Embarrass me and kiss goodnight

You said it  
I'm selfish  
And I don't mean to be  
Who decided  
You're entitled  
To every inch of me

You promised  
Not to suffocate me but I'm turning blue  
If I'm honest  
I've held my breath since I laid eyes on you

Funeral attire on date night

Everybody's here for a show  
So let's give them the final blow  
Embarrass me then take me home  
We're exposed underneath the spotlights  
Too drunk to remember our lines  
Embarrass me and kiss goodnight

Sit and wait for the applause  
Followed by the second course  
I don't mean to be so cynical  
The audience seems bored

Everybody's here for a show  
So let's give them the final blow  
Embarrass me then take me home  
We're exposed underneath the spotlights  
Too drunk to remember our lines  
Embarrass me and kiss goodnight
