

Henny

Phoebe Ryan

I need to be responsible
'Cause I was so dysfunctional
It worries me how much it didn't before
Sleepin' all day wakin' up on the floor
I tried to turn to somethin' new
It's not the same so what's the use?
It's just the truth
Because of you, I can't drink

Henny, any more
Henny, any more
Henny, any more
Henny, mm
