

James Has Changed

Phoebe Ryan

He asked me for his Iron Maiden shirt back
It crushed me, 'cause it was the best one I had
Tell me why it's gotta be this way, why it's gotta be this way
What did I do, what did I say?
I'm fighting like crazy, 'cause things ain't the same

James has changed
He don't want me anymore
I feel strange, he don't love me like he did before
It's a shame, 'cause my James was all I had
And he's not even sad

I don't care if he's not the right one for me, no
'Cause sometimes the wrong ones are just what you need (I wish you'd tell me)
Tell me what are you supposed to do, what are you supposed to do
When he won't even look at you
It kills me, I wish it was killing him too

James has changed
He don't want me anymore
I feel strange, he don't love me like he did before
It's a shame, 'cause my James was all I had
And he's not even sad
James has changed
He don't want me anymore
It's insane, 'cause he wanted me so bad before
It's a shame, 'cause my James don't even cry
And he won't tell me why

We used to have fun together
We used to be dumb together
But now I'm just dumb and all alone
I gave you my heart forever
Suddenly it's so whatever
You want your shit back
But you should know
I'll never let it go

James has changed
He don't want me anymore
I feel strange, he don't love me like he did before
It's a shame, 'cause my James was all I had
And he's not even sad
James has changed
He don't want me anymore
It's insane, 'cause he wanted me so bad before
It's a shame, 'cause my James don't even cry
And he won't tell me why
