

# Mine

Phoebe Ryan

When it went down  
It was so hard to breathe  
I gave up everything  
In a slow fall down to the floor  
Life was escaping me  
I couldn't find myself  
'Til it was all lost  
Not anymore

I'm holdin' on to all the pieces of my heart's debris  
'Til it's time  
I'll... I'll pull it together and fix myself eventually  
I know it's mine

I found gold in the wreckage  
Put it on a necklace  
Keepin' it cause I-I-I, I know that it's mine  
I wear it like a message  
So I don't forget it  
Keepin' it cause I-I-I, I know that it's mine  
I know that it's mine no matter what I do  
I know that it's mine whether I win or lose  
And even though my heart needs to take its time  
I know that it's mi-i-ine, I know that it's mine

Black Label got me telling stories and fables  
Only black kid at this table  
She got a man but I doubt she stays faithful  
Girls with halos, doin' blow, no angels  
Used to think about Sarah Bev watchin' cable  
Now I'm in this Purple Label  
Shit gets hectic, you need someone stable  
On the couch standing, on too many Xannys  
Tryna find me, I've been everywhere  
I'm lookin' for my phone in my underwear  
I popped a pill, I was unprepared  
Hey Phoebe, I really love your hair  
You're so beautiful  
You're so damn beautiful  
Oh the things that I would do to you  
I don't care if it's unusual  
You can't tell me we're unsuitable  
Know your favorite cereal is Fruity Loops  
I know your dad would freak if he found out I kissed you  
I'm still gon' kiss you

I found gold in the wreckage  
Put it on a necklace  
Keepin' it cause I-I-I, I know that it's mine  
I wear it like a message  
So I don't forget it  
Keepin' it cause I-I-I, I know that it's mine  
I know that it's mine no matter what I do  
I know that it's mine whether I win or lose  
And even though my heart needs to take its time  
I know that it's mi-i-ine, I know that it's mine
