

# If I Can Just Get Through Tonight

Phoebe Snow

I started seeing double  
Got myself concerned  
Headed right for trouble  
and I ain't got no where to turn

I can always give it up tomorrow  
lose my Sorrow in the morning light gonna give it up tomorrow  
I've got to live it up tonight

if I can just get through tonight  
I'm gonna give it all up tomorrow  
darling I would  
Hold me tight  
Were gonna be alright  
be alright

Getting myself together yeah

You could be my natural man  
Stay this way forever  
my futures in your hands  
I can always give it up tomorrow  
lose my sorrow in the morning light  
gonna give it up tomorrow  
got to live it up tonight

If I can just get through tonight  
I'm gonna give it all up tomorrow  
darling I would  
hold me tight  
Were gonna be alright  
be all right  
Oh oh oh oh oohhhhhhhh

I can always give it up tomorrow  
yeah  
lose my sorrow in the morning light  
gonna give it up tomorrow  
I've got to live it up tonight

If I can just get through tonight  
I'm gonna give it all up tomorrow  
darling I would  
hold me tight  
Gonna be alright
