

# There's A Boat Dat's Leavin' Soon For New York

Phoebe Snow

We'll live in the swellest mansion  
Up on upper 5th avenue  
And through Harlem we'll go struttin', we'll go struttin'  
And there'll be nothin' too good for you  
You'll dress me in silks and satins  
In the latest Paris styles  
And all your blues you'll be forgettin'  
You'll be forgettin'  
There'll be no frettin'  
Just nothing but smiles

There's a boat that's leaving soon for New York  
Come with me  
That's where we belong, baby  
You and me can live that high life in New York  
Come with me  
There we can't go wrong, baby

We'll live in the swellest mansion  
Up on upper 5th avenue  
Through Harlem we'll go struttin', we'll go struttin'  
And there'll be nothin' too good for you  
You'll dress me in silks and satins  
In the latest Paris styles  
All your blues you'll be forgettin'  
You'll be forgettin'  
There'll be no frettin'  
Just nothing but smiles

There's a boat that's leaving soon for New York  
Come with me  
That's where we belong  
That's where we belong  
That's where we belong  
That's where we belong  
I mean that's where we belong
