Phoenix

But you thought they put their best man on it
Give him a chance, something to do
Yeah you got to ask a hell a lot of questions
The chance of a lifetime
If you got to trust the guy he's no impersonator
What's the matter with him mowing your lawn?
Yeah you got to make it up cause you're the perpetrator
Do you want to find out?

So sudden, you hear the riot, hear them scream outside
I can't tell you what it's going to be, I'd lie
Out of credit, did I hear you breathe out loud
You know he's in it to see the summer
You know he's in it to see the summer
To see the summer, to see the summer

On the podium
Real loud
Same old recital
A chameleon
Disguised
Never out of luck
Never out of love
Always out of cash
So help him if you will
Climbing up the hill
Signing autographs
Role role role model
On the podium
Real loud

Don't you feel like a witness in distress from time to time to time to time?
Is that just the way the roses fade? Do you want to find out?
Don't you feel like a witness in distress from time to time to time to time?
Is that just the way the roses fade? Do you want to find out?

So sudden, you hear the quiet summer breeze outside
I can't tell you what it's going to be, I'd lie
Out of credit, I hear you suffer breathe out loud
You know you're in it to see the summer
You know you're in it to see the summer
To see the summer, to see the summer
