

# Run Run Run

Phoenix

Business calls me  
Trouble down the waterfront  
You know, I tried to  
But now i'm running outta lies  
It's a clear view  
When all you are is gettin' paid  
No more favors  
I know what we can do about it

I think I'd better run, run, run, run  
I think I'd better run, run, run, run  
You didn't catch me fallin'  
Fallin' fallin' fallin' fallin'  
Fallin' fallin' fallin'

Contradictions  
Get me everything i want  
I'll let you know  
But i think it's gonna take a while  
It's a clear view  
No one's waiting at the door  
A million letters  
They couldn't make me change my mind

I think I'd better run, run, run, run  
I think I'd better run, run, run, run  
You didn't catch me fallin'  
Fallin' fallin' fallin' fallin'  
Fallin' fallin' fallin'

How you want it to be  
Sittin' by the waterfront  
I should be drifting  
Far enough to reach the shore  
It's a clear view  
Don't you underestimate me  
No more flavors  
I know I can live without it

I think I'd better run, run, run, run  
I think I'd better run, run, run, run  
You didn't catch me fallin'  
Fallin' fallin' fallin' fallin'  
Fallin' fallin' fallin'  
(If you got to play the game  
you got to do it well)

I think i'd better run, run, run, run  
And leave those things for someone else  
But i like it  
I don't even care  
If you got to play the game  
You got to do it well
