

Ferrari

Phoneboy

All I ever wanted was a new Ferrari
Crash the car, never say I'm sorry
I just wanna make a couple hundred thousand
Put all my friends in one big house and
Party like we're never gonna see tomorrow
And honestly I'm hoping that I see tomorrow now

And I
Never ever wanna be (Never wanna be, never wanna be)
Famous, wanna be, wanna be
And I
Never ever wanna be (Never wanna be, never wanna be)
Famous, wanna be, wanna be

All I ever wanted was to be a part in
The TV show that you think you star in
All I ever wanted was a Maserati
Carpool karaoke with Illuminati
Hunted down by the paparazzi
Front page magazine because we
Had an entourage in a limousine
Burnout friends in an SUV

And I
Never ever wanna be (Never wanna be, never wanna be)
Famous, wanna be, wanna be
And I
Never ever wanna be (Never wanna be, never wanna be)
Famous, wanna be, wanna be

Never had an intervention
But just know I'm never comin' home
And did I forget to mention
When you call I'm wastin' my time
Standin' in line
Waitin' for mine, I'm losin' my mind
I'm losin' my mind
Wastin' my time
Standin' in line
Waitin' for mine
I'm losin' my mind, oh

And I
Never ever wanna be (Never wanna be, never wanna be)
Famous, wanna be, wanna be
And I
Never ever wanna be (Never wanna be, never wanna be)
Famous, wanna be, wanna be
