

John Jay.

Phony Ppl

I gotta know
If you tryna waste my time you can go
See, I told you so
And all my phonies say (oh!)
My phonies say (oh!)
And all my phonies say

With you
I played
The role
Of a fool
And now
It's time
For the new script
I didn't do it
I can't do it
I can't do

Some emotions can't be explained
They are nameless and are rapidly exchanged
Me and you was listed first
Little did I hold you that tight
And I can't take it any whore

With you
I played
The role
Of a fool
And now
It's time
For the new script
I didn't do it
I can't do it
I can't do

I won't forget the day she led me astray
A new boy in a page and not a call for days
You're no good at this relationship thing
Are we together, anyway?

With you
I played
The role
Of a fool
And now
It's time
For the new script
I didn't do it
I can't do it
I can't do

This is stupid
Me and you split

I can't do it
I can't do
