

Somehow.

Phony Ppl

Living by myself
Paranoid as hell
There's nothing I can do
Yesterday's tomorrow
My dreams are never true...
But somehow I keep on loving you...

Emotions are attached
Cause something happened that
No one could help
I broke out of my shell just to find that
That I don't belong
I broke out of my shell just to find that
I'm living by myself... ooh...
Paranoid as hell
There's nothing I can do
But somehow I keep on loving you...

I keep on loving you...
