When I found you
Ooh
I was standing on the stage when I found you
I was standing on the stage when I found you
With your bad-ass friends all around you, ayy
With your bad-ass-, ooh
I was standing on the stage when I found you
I was standing on the stage when I found you (You)
With your bad-ass friends all around you, ayy (Bad-
ass friends all around you)
With your bad-ass-

She got the ass
She got the ass that I wanna grab
I was on stage earnin' the cash
She know that we some hardworking mans
Shout to my boys, Aja Grant
Shout to my boys, Bari Bass
Shout to my boys, Elijah Rawk
Shout to my boys, Matthew on drums
This her jam, we playin' her song and she goin' in so we puttin' on
She close to the front so after the show, what could go wrong?
She not from here, I'm not from here
I'm foreign to her and she foreign, I swear
Shout to your pops, he knew just what to do
Shout to your moms makin' someone like you

Ooh
I was standing on the stage when I found you
I was standing on the stage when I found you
With your bad-ass friends all around you, ayy
With your bad-ass-, ooh
I was standing on the stage when I found you
I was standing on the stage when I found you (You)
With your bad-ass friends all around you, yeah (Bad-
ass friends all around you)

After the show, you more than welcome to come back to our home
But layin' with me and stayin' with me
Are two different things, so please act like you know
You might pull up with me when you pull up for bro
But it's all love 'cause that's how the game go
I was standin' on the stage when I found her and I ain't tryna let go
Lemme know quick if you wanna get with me
Only got one night 'til the next city
If your boy toy trippin', he could step to me
Okay, the clock's tickin', let's get busy
Lemme know quick if you wanna get with me
Only got one night 'til the next city
If your boy toy trippin', he could step to me
Okay, the clock's tickin', let's get busy, ooh

Ooh
I was standing on the stage when I found you
I was standing on the stage when I found you
With your bad-ass friends all around you, ayy
With your bad-ass-, ooh

I was standing on the stage when I found you
I was standing on the stage when I found you (You)
With your bad-ass friends all around you, yeah (Bad-
ass friends all around you)
With your bad-ass-, ooh (With your bad-ass-, ooh)
