

Think You're Mine.

Phony Ppl

With all the times we cried
And all the times I tried
I still don't think you're mine

With all the times we cried
And all the times I tried
I still don't think you're mine
I still don't think you're fine

With all the times we cried
All the times we died
All the times you lied
And all the times the times
I still don't think you're mine
I still don't think you're mine

With all the times we cried
With all the times you lied
I still don't think you're mine
I still don't think you're mine

All the times we cried
All the times we died
I still don't think you're fine
Still don't think you're fine
And all the times
Threecce!

The way you hold my hand
And tell me I'm your man
I don't think you're mine
I don't think you're mine

The way you hold my hand
And tell me I'm your man
I just don't think you're mine
I just don't think you're fine

The way we spend the day
You say you want my name
But I just don't think you're mine
Just don't think you're mine

The way you dance with me
Just dance with me
And I just, just don't think you're mine
I just don't think you're mine

The way you look at me
The way you know my name
I just don't think you're mine
