

# Balance

Phora

Donavelo  
Yeah

Got me like, "Ooh, ooh-ooh"  
You bring me balance  
Got me like, "Ooh, ooh-ooh"  
You bring me balance

Yeah, only one  
You're mine forever, my only one (My only one)  
Wake up to you in the mornin' sun (The mornin' sun)  
I prayed my whole life for this type of love (This type of love)  
Don't run away (Don't run away)  
Please, don't run (Please, don't run)  
Yeah  
'Cause you're the only one I think of when I write these songs (I write these songs)  
I just wanna fix you, wanna right my wrongs (Right my wrongs)  
Always here to wait for you, just don't take too long  
'Cause I need, I need you  
The sunrise, the beach mist, the ocean waves (The ocean waves)  
Under the moonlight, I'll be on my way (I'll be on my way)  
'Cause you got somethin' they just can't replace (They just can't replace)  
And every time we touch

I'm like, "Ooh, ooh-ooh"  
You bring me balance  
Got me like, "Ooh, ooh-ooh"  
You bring me balance  
Got me like, "Ooh, ooh-ooh"  
You bring me balance  
Got me like, "Ooh, ooh-ooh"  
You bring me balance

Look  
I just wanna know  
Everything you want, all your favorite things  
Wanna hear your soul (Wanna hear your soul)  
Runnin' through my mind, every single day  
I can't be alone (I can't be alone)  
You know what they say, it's not about the place  
Your heart is my home (Your heart is my home)  
I can't be without, without your love

Oh, you bring me balance (Balance)  
Got me like, "Ooh, ooh-ooh"  
You bring me balance  
Got me like, "Ooh, ooh-ooh"  
You bring me balance  
Got me like, "Ooh, ooh-ooh"  
You bring me balance
