Cupid's Curse

Phora

I ain't never seen you before
Where'd you come from?
I ain't never met you
Lookin' back we were one
Now I don't understand you
Showin' up, ain't enough
You say it's love, yeah-yeah
Bet you don't wanna be here

Driving 'round town in my new Jeep
Runnin' too deep like there was your keys
I don't got the time to be on my knees, just to beg you please
Wonder when you gon' sleep
Riding 'round town with your new flame, she a cute thing
She ain't nothin' like me
Always tryna play but this ain't a game
And once I'm gone, baby what you gon' say?

Why? (Why? Why?)
You never been the type to compromise
Why? (Why? Why?)
Whoever you're lookin' for, I wish you'll find (You'll find)
I'm low on self-control, I'll lose this fight
Oh, oh, oh, oh

I ain't never seen you before
Where'd you come from?
I ain't never met you
Lookin' back we were one
Now I can't fuckin' stand you
Showin' up, ain't enough
You say it's love, yeah-yeah
Bet you don't wanna be here

I ain't never seen you before
Where'd you come from?
I ain't never met you (Oh, oh)
Lookin' back we were one
Now I can't fuckin' stand you
Showin' up, ain't enough
You say it's love, yeah-yeah
Bet you don't wanna be here

I'm all in now (I'm all in now)
You were right there

Went from bein' in my dreams to my nightmares
I've been trapped in my thoughts so long, I can't find love
You know what it's like, yeah (You know what it's like, yeah)
Late nights, you stay on my mind, yeah (Stay on my mind, yeah)
Yeah we fight, break up
Then we fuck, make up
Hit your phone like, "I need you tonight, yeah" (I need you tonight, yeah)

But I
I've never been the type to compromise, why? (Why?)
You should come through tonight, girl lose your pride (Pride)
Whoever you're lookin' for, I hope you'll find
