

# Does God Forgive

Phora

Yeah

Have you ever prayed to God on two knees, still nothin' changed?  
Ever felt so ashamed that yourself can't see your own face?  
Have you ever felt so alone in this world, so out of place?  
Have you ever had certain memories you just wish you could erase?  
Have you ever tried to do the right thing still everybody judge you?  
Have you ever put two middle fingers to the world, told 'em, "Fuck you"?  
Have you ever been around people, but you still felt like it's just you?  
If you ever felt like you ain't got no home, nowhere to run to then we ain't  
too different  
Paralyzed, in my own thoughts, I don't really know what's missin'  
I feel like I got nobody but maybe I'm trippin'  
Too many friends turned to enemies, I don't know how it's affectin' me  
So many people who told me they loved me, I shouldn't have believed what the  
y said to me  
I look in the mirror, face it  
Maybe it's too late to change it  
And I know it's too late to go back in time but I wish that I could erase it  
(Yeah)  
I know it's too late to go back in time but (Yeah)

Misery loves company  
Does God forgive? Someone tell me  
Ooh-woah, ooh-woah, oh  
Misery loves company  
Does God forgive? Someone tell me

Yeah, uh  
Yeah, yeah, look  
I'm sick of cryin', can't hold it back  
I'm sick of drinkin' until I go black  
I'm sick of givin' these people my heart and my soul and my tears and end up  
on my back  
I'm sick of pain, wanna be free  
I'm sick of jealousy, envy and greed  
I'm sick of chasin' these shots of this liquor and chasin' the money they sa  
y that we need, just wanna be happy  
I just hope you see the me that they can't see  
Misunderstood, misguided but I'm still me  
Misunderstood, misguided but I'm still me, but I'm still  
I wanna be happy, I wanna be able to smile again  
Lost love for the music, I wanna be able to write again  
And my mom know I love her, I wish I could look in her eyes again  
Tell her, I'm sober and say I'm okay but it's hard to lie again  
So maybe I'll try again  
Maybe another time  
Oh, oh-oh  
God, forgive me for the way I live, yeah

Misery loves company  
Does God forgive? Someone tell me  
Ooh-woah, ooh-woah, oh  
Misery loves company  
Does God forgive? Someone tell me
