Fuck all that humble shit

'Cause shawty she love this shit  
I put in overtime all the time  
Working triple-double shifts  
Y'all on some funny shit, haha  
Y'all on some funny shit  
Yeah, 2018 had to put a rapper back up in his place (aye, yeah)  
Came from the bank, I just made deposits I don't ever chase (uh, yeah)  
Yeah, all for the family I've been over here just making sure they straight  
(uh, look)  
Shoutout to pinch (aye)  
Why the fuck would I wait? (fuck would I wait)  
But I came from the bottom, I cannot forget  
All of them times they told us not to flex  
2011 sleepin' on the floor  
2018 I'm hoppin' on a jet  
I never seen these niggas as a threat  
I pray to God he always say I'm blessed

I pray to God he always say I'm blessed  
Always say I'm blessed
