

Fall For You

Phora

Yeah

Oh

I'd lose it all for you, all you ever wanted
Ain't good enough for you, now I'm broken-hearted
Tearin' me apart
It's something 'bout the way you open up my every scar
I'd fall for you, fall for you, fall for you (Yeah)
Fall for you, fall for you, fall for you

Yeah, uh

Everything different, I'm still here
You don't wanna talk and I don't wanna listen
So we still stuck in the same gear
Then I wake up, I'm havin' these visions
I don't wanna fall forever in the meantime
Told her meet me under streetlights
Make me wish that I could freeze time
I know it's hard to realize
Yeah, but you got my heart in the palm of your hands
Keep that safe while I'm out makin' bands
Got a new check, that's a brand-new advance
Ayy, it was all in the plans
I think we should be more than just friends
'Cause you need someone who ain't scared to fall for you, baby

I'd lose it all for you, all you ever wanted
Ain't good enough for you, now I'm broken-hearted
Tearin' me apart
It's something 'bout the way you open up my every scar
I'd fall for you, fall for you, fall for you
Fall for you, fall for you, fall for you
